

HOTEL ACCOMMODATIONS IN THE KEY LARGO AREA

Here is a list of accommodations in Key Largo should your travel arrangements require **early arrival or late departure**. They are also useful in the event that you have to provide your **bus driver** with a room during your stay. While we may have room at MarineLab for a bus driver, our accommodations are very Spartan (bunk beds, no television or phone) so they often prefer to stay at a local hotel.

The following local motels are listed in order from smaller “mom & pop” type places to the more expansive/expensive chain motels. For reference, we are located at Mile Marker (MM)103.2 Oceanside. This listing is for your convenience and are not recommendations. Additional accommodations may be found by visiting the Key Largo Chamber of Commerce website www.keylargochamber.org.
