Snorkel Experience

As an intern you will assist MarineLab Instructors during snorkel field trips. Please describe your swimming and snorkel experience: Are you a strong swimmer? What is your comfort level in the water (including in less than ideal conditions and/or with nervous students), etc.?

Boat Safety

MarineLab Interns are not expected to perform mate duties on our boats, but you will spend time on our boats. Please describe your experience on boats: What types of boats have you been on? Are you comfortable in wavy conditions? Do you get seasick?

Experience with children

Please describe any experience you have working with or being responsible for children:

Marine Science Interest

Why are you interested in the internship at MarineLab?

What do you hope to gain from this internship?

Miscellaneous

Please use this space to tell us about any special qualities or experiences you've had that might make you stand out as an intern candidate:

Recommendation:

In addition to this application, at least one formal recommendation letter from a teacher of yours is required to be considered for this internship.

I (the applicant), _____ hereby attest that the above information is true and correct to the best of knowledge.

Signed:

Date:
